

A Christmas Carol

by Charles Dickens

Audiobook App

DESCRIPTION

Naxos AudioBooks, the finest audiobook label for classic literature, presents this popular recording of *A Christmas Carol*, complete with the ebook text, in a newly designed, self-contained app.

The Story

A Christmas Carol is the best known and best loved of Dickens's Christmas Books, and the story of the miser Scrooge's redemption has become as much part of the Christmas tradition as plum pudding and carols themselves. Will Tiny Tim live to see another Christmas? Can Scrooge recover his humanity and learn to love the fellow men he seems to despise? Dickens will make you laugh and make you cry as you follow Scrooge's supernatural adventures on Christmas Eve...

The Reader

One of Britain's leading classical actors, **Anton Lesser** has worked extensively at the National Theatre, and is an associate artist of the Royal Shakespeare Company, where, over the years, he has played many of the principal roles. A familiar voice on radio, he has been involved in countless plays and recordings, and has become particularly associated with his award-winning readings of Dickens for Naxos AudioBooks.
